

Objective

Provide a showcase of recent developments and advances and offer an international forum to discuss and explore the future directions for geotechnical engineering.

The Bund of Shanghai

Themes

- Soil behavior & geomechanics
- Unsaturated soil mechanics
- Seepage and porous mechanics
- Rock mechanics and rock engineering
- Pavement mechanics and engineering
- Geohazards
- Geosynthetics
- Geoinformatics
- Geotechnical in-situ testing & monitoring
- Environmental geotechnics
- Transportation geotechnics
- Offshore geotechnics
- Mining geotechnics
- Energy-related geotechnics
- Behavior of biotreated geomaterials and foundations
- Geomechanics at macro & micro scales
- Ground improvement
- Soil dynamics & earthquake engineering
- Landfills and contaminated soil
- Sustainability in geotechnical engineering
- Deep excavations & retaining structures
- Shafts & deep foundations
- Tunneling and underground constructions
- Pavement materials and structures
- New frontiers in geotechnology
- Case studies

Introduction

GeoShanghai is a series of international conferences on geotechnical engineering held in Shanghai every four years. The conference was inaugurated in 2006 and was successfully held in 2010 and 2014, with more than 1200 participants in total. Since the last conference, the geotechnical communities have witnessed many advances both in fundamental understandings and engineering practices. To show the latest developments and promote collaborations in geotechnical engineering and related topics, the organizers of the GeoShanghai International Conference would like to invite you to participate in the 4th GeoShanghai International Conference to be held in Shanghai in May 2018.

Shanghai is a unique cosmopolitan city where traditional Chinese culture has been blended seamlessly into those from all over the world. The geotechnical and underground engineering in Shanghai currently is under rapid development (e.g. deep excavation of more than 80m for drainage tunnel). The organizers look forward to welcoming you in Shanghai and witness this big event together.

GeoShanghai International Conference 2018

GeoShanghai International Conference

Shanghai, China

May 27–30, 2018

First Announcement

Host Organizations

Tongji University

Chinese Institution of Soil Mechanics and Geotechnical Engineering

Shanghai Society of Civil Engineering

Cooperating Organizations

ASCE Geo-Institute

Shanghai Society of Theoretical and Applied Mechanics

Missouri University of Science and Technology

Nagoya Institute of Technology

University of Arizona

University of Cambridge

University of Tennessee

Ecole des Ponts Paristech

Virginia Polytechnic Institute and State University

University of Kansas

Georgia Institute of Technology

Transportation Research Board

The Pennsylvania State University

Ruhr - University Bochum

UC Berkeley

UCLA

Clemson University

Important Dates

Abstract due: April 30, 2017
 Acceptance of abstract: May 31, 2017
 Full paper due: August 31, 2017
 Acceptance of full paper: November 30, 2017
 Final full paper due: January 31, 2018

Paper Submission

Abstracts and full papers should be submitted only via the web in accordance with the instructions on the conference website at www.geo-shanghai.org.

Conference Language

English.

Proceeding

All the accepted papers will be included in a published proceeding to be submitted for citation by EI. Excellent papers will be published in special issues of several international journals to be submitted for citation by SCI based on peer-review.

Exhibition

Lab, field testing, instrumentation, geosynthetics, and other geotechnical manufacturers, suppliers, contractors, installers, and consulting firms are welcome to exhibit.

Conference Website

Please visit the website at www.geo-shanghai.org for updates and more detailed information.

Contacts

Ming Xiao, Ph.D., P.E., Associate Professor
 Department of Civil & Environmental Engineering,
 The Pennsylvania State University, University Park,
 PA 16802, USA
 Tel: 814-867-0044, Email: mxiao@enr.psu.edu

Xiaoqiang Gu, Ph.D., Assistant Professor
 Department of Geotechnical Engineering, College of
 Civil Engineering, Tongji University
 1239 Siping Road, Shanghai 200092, China
 Tel: + 86(21)-6598-4551, Fax: + 86(21)-6598-5210
 E-mail: geoshanghai@tongji.edu.cn

Organizing Committee

Shijin Feng
 (Chair, China)
 Xiaoqiang Gu
 (Secretary General, China)
 Wenqi Ding (China)
 Xiongyao Xie (China)
 Yujun Cui (France)
 Daichao Sheng (Australia)
 Kenichi Soga (USA)
 Weidong Wang (China)
 Feng Zhang (Japan)
 Yong Yuan (China)

Ming Xiao
 (Co-chair, USA)
 Yu Huang (China)
 Xiaojun Li (China)
 Xiong Zhang (USA)
 Guenther Meschke (Germany)
 Erol Tutumluer (USA)
 Jianming Zhang (China)
 Jianmin Ling (China)
 Guowei Ma (Australia)
 Hongwei Huang (China)
 Weimin Ye (China)

Technical Committee

Wenqi Ding
 (Chair, China)
 Charles Aubun (USA)
 Rifat Bulut (USA)
 Geoff Chao (Thailand)
 Jian Chu (Singapore)
 Eric Drumm (USA)
 Wen Deng (USA)
 Arvin Farid (USA)
 Xiaoming Huang (China)
 Woody Ju (USA)
 Ben Leshchinsky (USA)
 Robert Liang (USA)
 Hoe I. Ling (USA)
