

Subject: USNCCM12 Mini-Symposium MS 2.3 Cartilage Mechanics (Deadline Extended to **February 28, 2013**)

Dear Colleague,

This is an announcement to let you know that USACM's 12th U.S. National Congress on Computational Mechanics (USNCCM12) will be held in Raleigh, North Carolina, at the Raleigh Convention Center, July 22-25, 2013. We are organizing a Mini-Symposium on 'Cartilage Mechanics: Characterization and Computational Modeling.' For more information on this Mini-Symposium please see http://12.usnccm.org/MS2_3.

We encourage you to submit an abstract to this Mini-Symposium, if you have not already done so. Also, we would be grateful if you could pass the information about the Mini-Symposium to other colleagues of yours that might be interested in it. Abstract submission (<http://12.usnccm.org/abstract-submission>) has been extended and is now open until the **deadline of February 28, 2013**. Please plan to check <http://12.usnccm.org/> periodically for updates and important information. We look forward to seeing you in Raleigh, North Carolina.
