

Chair Professor/Professor/Associate Professor/Assistant Professor in the Department of Civil and Architectural Engineering [Ref. A/079/09]

City University of Hong Kong is a dynamic, fast-growing university that is pursuing excellence in research and professional education. As a publicly-funded institution, the University is committed to nurturing and developing students' talent and creating applicable knowledge to support social and economic advancement. Currently, the University has six Colleges/Schools. Within the next two years, the University aims to recruit **100 more scholars** from all over the world in various disciplines, including **science, engineering, business, social sciences, humanities, law, creative media, energy, environment**, and other strategic growth areas.

Applications and nominations are invited for the above posts:

Duties

Responsible for teaching undergraduate and postgraduate courses, course design and assessment; supervise student projects and other learning activities, including the coordination of part-time teaching staff and liaison with other departments and institutions; undertake research and other scholarly activities, including the development of new research directions; and carry out administrative work and other duties to facilitate the development of the Department.

Requirements

A good honours degree in the following disciplines and a PhD in one of the specialized areas:

Disciplines (specialized areas)

- **Architecture** - architectural design, architecture practice, heritage and conservation, landscaping and sustainability
- **Building Services Engineering** - electrical services for buildings, vertical transportation, open systems for building automation, intelligent building, building electronics, building energy efficiency, demand-side-management
- **Surveying** - urban planning, real estate valuation, land management, facilities management, building design and appraisal
- **Civil Engineering/Construction Engineering and Management**

Membership or potential membership of a relevant professional body, an all-round background in the specialized areas with some teaching/research experience are required. For the Architecture, Surveying and Engineering disciplines, relevant experience in the industry and/or institutions of higher education, and a good record of research and published work are also required. Candidates for the post of Professor and above should have demonstrated leadership in their specialized area, with a distinguished record of teaching, administration and research.

Salary and Conditions of Service

Remuneration package will be driven by market competitiveness and individual performance. Excellent fringe benefits include gratuity, leave, medical and dental schemes, and relocation assistance (where applicable). Initial appointment will be made on a fixed-term contract.

Application and Information

Further information on the posts and the University is available at <http://www.cityu.edu.hk>, or from the Human Resources Office, City University of Hong Kong, Tat Chee Avenue, Kowloon Tong, Hong Kong [Fax : (852) 2788 1154 or (852) 3442 0311/email : hrojeb@cityu.edu.hk].

Please send the nomination or application with a current curriculum vitae and statement of research interests and experience to Head, Department of Civil and Architectural Engineering, City University of Hong Kong [email: cahead@cityu.edu.hk]. **Applications and nominations will receive full consideration until the positions are filled.** Please quote the reference of the post in the application and on the envelope. Shortlisted candidates for the post of Assistant Professor will be requested to arrange for at least 3 reference reports sent directly by the referees to the Department, specifying the position applied for. The University reserves the right not to fill the positions. Personal data provided by applicants will be used strictly in accordance with the University's personal data policy, a copy of which will be provided upon request.

The University also offers a number of visiting positions through its “CityU International Transition Team” for current graduate students and for early-stage and established scholars, as described at http://www.cityu.edu.hk/provost/cityu_international_transition.htm.

City University of Hong Kong is an equal opportunity employer and we are committed to the principle of diversity. We encourage applications from all qualified candidates, especially those who will enhance the diversity of our staff.

City University of Hong Kong was ranked the 95th among the world’s top universities and the 12th in Asia according to the *Quacquarelli Symonds* 2012 surveys.
