

IAHR 2014

7th International  
Groundwater Symposium

7th International  
Groundwater Symposium  
22-24 September 2014 - Perugia - Italy

Dear Colleagues,

This is the 1st announcement and call for abstracts for the 7th IAHR International Groundwater Symposium, to be held in Perugia (Italy) on 22-24 September 2014.

The goal of the Symposium is to bring together researchers focused on fundamental laboratory-scale experimentation and mathematical modeling of flow and transport in natural subsurface systems with hydrogeologists, geologists and engineers working on field applications and groundwater management problems.

During the symposium keynote lectures will be given by Felipe De Barros, Philippe Ackerer, Olaf A. Cirpka, Wolfgang Nowak, Monica Riva, Erica R. Siirila.

For registration and additional information, we invite you to visit the Symposium webpage at:  
<http://www.water-system.org/iahr2014>

The Symposium proceedings will be submitted for indexing to Thompson ISI and/or Scopus. Selected papers will be recommended for publication in international peer-reviewed journals.

Authors born in the 80's are eligible for the "Early Career IAHR Groundwater Symposium Award".

Important dates are the following:

- Abstract submission deadline: January 31, 2014
- Notification of Abstract acceptance: February 28, 2014
- Submission of full camera-ready paper: July 18, 2014
- Early registration deadline: August 1, 2014
- Symposium: September 22-24, 2014

Warmest regards.

Xavier Sanchez-Vila and Alberto Guadagnini  
on behalf of the Scientific Committee

Bruno Brunone  
on behalf of the Local Organizing Committee

P.S.: Please, apologies for cross-posting
